RE: Rate Case 2007-00116

Dear David:

As I reflect on the finalized rate case, I am filled with pride concerning the team effort on this massive and important project. I am pleased and thankful for the excellent legal representation your firm provided to JPEC. Your entire organization went above the normal expected level of service to assure all materials were correct and forwarded to the proper agencies in a timely manner.

During the informal conferences and the formal hearing, Melissa Yates provided leadership which, in my opinion, led to the settlement in the best interest of the membership of JPEC. I would also like to commend your support staff, in particular, Vickey Martin and John Pace. Both worked nights and weekends to assemble the initial filing and subsequent data requests in order to help meet the necessary time requirements.

Again, thank you for the excellent legal services.

Sincerely,

G. Kelly Nuckols
