*Dave Denton,*

*I understand that our Joann King is celebrating 25 years with your firm. First I would like to congratulate you on your wisdom in hiring her and retaining her and second congratulate Joann on the fabulous job that she does for Paducah Bank.*

*I have worked with many attorney's and title companies over the years and must say that no one is more detailed oriented than Joann. We have worked together for over 11 years now and I always know that I can count on her making me look good for our customers. 99% of the time she has a smile on her face and is a joy to work with (hey there had to have been one or two bad days over the years!)*

*Thank you Joann and D&K and here's to quite a few more years of our continued relationship and teamwork!*
